ORIGIN

Mukden - 8 December

Taipei - 8 December

- No major Communist forces have been active in Shantung province for the past three days. Pressure on the Nationalists in Yeh-hsien (119-56, 37-11) has been relieved by Communist withdrawals, as follows: 5 Manicipation Division and 5 Garrison Brigade have moved 15 kilometers southeast of Yeh-hsien; 6 Manicipation Division has moved 30 kilometers northeast of Yeh-hsien.

The Nationalists are still receiving supplies from the sea, conveyed to Yeh-hsien under strong guard. It is believed that the Nationalists can hold Yeh-hsien, since the Communists suffered severe losses in the Ping-tu (119-56, 36-47) and Yeh-hsien battles.
